● About Pawlavie

Our animal companions are as important to us as any other family member. So, spoiling them with the best in pet products should be only natural!

Introducing **Pawlavie**, the all-new pet care range from Max Biocare Group! Using only the best all-natural ingredients grown right here in Australia, we provide families with evidence-based, trusted & quality pet products, ranging from personal care such as shampoo, wash, skincare to healthy natural snacks, including vegan friendly options, all formulated to ensure our little furry friends are healthy and happy.

Personal care range

DRY SHAMPOO

for pets below 1 year old

Overview

Your young pet deserves the best care possible, to keep them happy and healthy! With Rice Extract Panthenol and Aloe Vera, Pawlavie Dry Shampoo conditions, soothes & strengthens the coat. And with added natural fragrance, your young pet will look, smell and feel great!

What makes us special and distinct?

•Rice Extract

Our Rice Extract is derived naturally from brown rice (*Oryza sativa*), unleashing conditioning and scrubbing power upon the fur & coat.

•Panthenol

A superstar ingredient, Panthenol is a Vitamin-B5 derivative that helps prevent fur damage and maintain hydration, while also moisturising and soothing the coat.

•Aloe Vera

An ancient plant used throughout history for its soothing actions upon the skin, our Aloe Vera is extracted from *Aloe barbadensis*.

DRY SHAMPOO

for pets below 1 year old

DRY SHAMPOO

for pets below 1 year old

Petcare Innovation

Looking for an all-natural fur & coat cleanser that will keep your pet thriving? Look no further than Pawlavie Dry Shampoo!

Featuring naturally-derived Rice Extract for a conditioning clean, plus Panthenol & Aloe Vera to soothe and strengthen the fur & coat, our evidence-based, trustworthy shampoo will keep your young pet looking & feeling fabulous!

Ingredients

Aqua, Sodium Lauroyl Sarcosinate, Glycerin, Cocamidopropyl Betaine, Panthenol, Coco-glucoside, Polysorbate 20, Phenoxyethanol, Oryza Sativa Extract, Aloe Barbadensis Leaf Extract, Fragrance, Sodium Chloride, Sodium Benzoate, Pantolactone.

How to Use

Simply extract 1 pump from the bottle and apply sparingly to the fur & coat of your pet. Ensure formulation is fully spread across entirety of fur & coat. Avoid applying to nose and eye area.

Pack Size: 150mL Pump Bottle

DRY SHAMPOO

for adult pets

Overview

Your family pet deserves the best care possible, to keep them happy and healthy! With Soy Protein, Oat Extract and Aloe Vera, Pawlavie Dry Shampoo nourishes, protects & soothes the coat. And with added natural fragrance, your family pet will look, smell and feel great!

What makes us special and distinct?

•Hydrolysed Soy Protein

Filled with amino acids and protein components found naturally in soybeans, this wonder ingredient nourishes the fur and helps keep moisture in, making for smooth, strong fur.

•Oat Extract

Our Oat Extract is derived naturally from *Avena sativa* Kernels, unleashing both soothing & cleansing power upon the fur & coat.

•Aloe Vera

An ancient plant used throughout history for its soothing actions upon the skin, our Aloe Vera is extracted from *Aloe barbadensis*.

Food & Nutrition

Organic – Natural – Whole Food

Pawlavie Food & Nutrition

Our philosophy for our tasty pet nutrition range is an extension of the methodical care and quality principles we apply to our human products. In fact, some products are good enough for both!

Our ingredients are hand-procured from our own plantation and local Victorian suppliers, and carefully screened for nutrient value and safety for animals and humans alike.

Our products minimally processed using methods as freeze-drying, which lock in nutrients and allows them to be preservative-free.
