★ ABOUT

Celebrate young skin's resilient, natural beauty

Real skincare for real changing skin needs
Glow. Grow. Stay resilient.

Inspired by Salvia. Built for Changing Skin.

Named after Salvia — a resilient botanical known for its natural beauty, diversity and ability to thrive — Salvarity® is created for the years when skin, confidence and identity are changing. Our approach is simple: help young and sensitive-feeling skin feel healthy, balanced and confident with skincare that is effective, kind and safe — without overly harsh routines or unnecessary complexity.

Who We Are

Salvarity® is teen-first skincare developed by Max Biocare for young skin, first routines and changing skin needs — not adult anti-ageing routines.

Proudly Victorian, **every Salvarity formula** is researched, developed, tested and manufactured at Max Biocare's purpose-built GMP facility under the **MBc360™ Development & Quality System**, combining science-backed ingredients with proprietary botanicals grown at our Research Park.

Our Brand Ethos

Effective. Kind. Safe.

Effective: Proof-led formulas backed by research, testing and ongoing improvement.

Kind: Gentle on skin, self and the planet.

Safe-minded: Dermatologically tested and formulated to Salvarity's 16 Clean Swap Standard.

Built for Young, Changing Skin

Young-skin relevance: made for changing skin needs — sensitivity, dryness, oily-looking shine, pores and blemish-prone skin.

First-routine friendly: simple Step 1 Cleanser, Step 2 Serum and Step 3 Moisturiser routines.

Parent reassurance: dermatologically tested, proof-backed formulas.

Retailer value: clear skin-need pathways that support recommendation, ranging and basket-building.

Proof-led care: safety, efficacy and sustainability testing support the range story.

Seed to science to shelf: Australian-developed with botanicals from Max Biocare Research Park.

CLEAN FORMULATION STANDARDS

Salvarity's 16 Clean Swap Standard

Thoughtfully formulated for young and sensitive-feeling skin

Following our **Effective. Kind. Safe.** ethos, Salvarity formulas are created with a clear Clean Swap Standard. Across the range, we choose not to use 16 selected ingredient groups commonly questioned for skin tolerance, sensitivity, environmental impact or sourcing concerns — and choose gentler, more considered alternatives wherever possible.

Formulated Without

✕ Parabens

✕ Phthalates

✕ SLS/SLES

✕ Phenoxyethanol

✕ Ethylhexylglycerin

✕ Carbomers

✕ Quaternium Compounds

✕ Mineral Oils / Paraffins

✕ Ethanolamines

✕ Formaldehyde Donors

✕ Talc

✕ BHA/BHT

✕ Triclosan

✕ EDTA

✕ Synthetic Dyes

✕ Animal By-products*

*Except selected bee-derived ingredients from our own MBc-managed bees where used.

Why It Matters

Skin tolerance:

we avoid ingredient groups commonly questioned for irritation, dryness or sensitisation.

Sensitive-skin preferences:

we leave out selected preservatives, surfactants, colourants and additives sensitive-skin shoppers may prefer to avoid.

Environmental consideration:

we avoid selected ingredients commonly questioned for aquatic impact, persistence, sourcing or biodegradability.

Animal-derived ingredient standard

animal-derived ingredients can raise animal-welfare, sourcing and traceability concerns. We apply additional checks and avoid their use where possible.

SALVARITY RANGE BY ROUTINE

Basket-building solutions by step

Routine	 Step 1: Cleanser	 Step 2: Serum	 Step 3: Moisturiser
 1. Hydrate & Comfort Routine For normal, combination, dehydrated or barrier-stressed skin. ★ **83% antioxidant boost***

★ **Up to 99% bacterial reduction****

Gentle Cleanse. Barrier Support. No Stripped Feel.

A gentle daily cleanser for first routines, young skin and sensitive-feeling skin. Made with mild, naturally derived cleansing agents plus hydrating and soothing skin-comfort ingredients, it washes away daily impurities, oil, sweat and build-up while helping support the skin's natural moisture barrier — leaving skin soft, fresh and comfortable.

Shopper Benefits

- ✓ Washes away daily impurities, oil, sweat and build-up
- ✓ Gently cleanses with hydrating and soothing support — no tight, dry or stripped feel
- ✓ Helps support the skin's natural moisture barrier
- ✓ Ideal first cleanser for sensitive, reactive or redness-prone skin

Range Role

- **Gentle first cleanser:** ideal for tweens, teens and sensitive-skin shoppers
- **Broad appeal:** suits normal, combination, sensitive, reactive and redness-prone skin
- **Barrier-friendly daily cleanse:** supports soft, comfortable skin without a stripped feel
- **Hydration routine starter:** pairs with Hydro Active, Cool by Nature and Free & Zen

Ingredients

Aqua, Glycerin, Cocamidopropyl Betaine, Caprylyl/Capryl Glucoside, Sodium Cocoyl Isethionate, Gluconolactone, Salvamel Blend [Niacinamide, Honey*, Salvia Hispanica (Chia) Seed Oil], Sodium Hyaluronate, Aloe Barbadensis (Aloe Vera) Leaf Juice Powder, Panthenol, Zinc PCA, Allantoin, Rosmarinus Officinalis (Rosemary) Leaf Oil, Tocopherol, Helianthus Annuus (Sunflower) Seed Oil, Hydroxyacetophenone, Propanediol, Glyceryl Oleate, Coconut Acid, Sodium Isethionate, Polyacrylate Crosspolymer-6, Sodium Chloride, Sodium Benzoate, Potassium Sorbate, T-Butyl Alcohol, Citric Acid, Sodium Hydroxide.

Proof Points

- 83% antioxidant boost *
- Laboratory-tested cleansing performance: up to 99% bacterial reduction between 1–5 minutes **
- Readily biodegradable (OECD 301A laboratory testing)***
- No signs of irritation after 24-hour patch testing****

Key Ingredients

- **Salvia Hispanica (Chia) Seed Oil:** non-comedogenic barrier nourishment
- **MBc Herbal Honey:** soothing botanical honey
- **Niacinamide:** barrier and complexion support
- **Sodium Hyaluronate + Aloe Vera:** hydration and comfort
- **Zinc PCA:** helps support skin balance and comfort

How to Use

Apply 1–2 pumps to damp skin, massage gently, rinse. Use AM + PM.

Deep Cleanse. Pore Care. No Stripped-Skin Feel.

A pore-clarifying daily cleanser for oily, combination and blemish-prone skin. Made with salicylic acid, botanical clarifiers and skin-comfort ingredients, it washes away excess oil, sweat and daily build-up while gently exfoliating pore-clogging debris — helping skin look clearer, smoother and less congested without a tight, dry or stripped feel.

Shopper Benefits

- ✓ Washes away excess oil, sweat and daily build-up
- ✓ Gently exfoliates to help refine clogged pores and blackheads
- ✓ Supports clearer-looking, smoother and less congested skin
- ✓ Deep cleanse without a tight, dry or stripped after-feel

Range Role

- **Clarifying Step 1 hero:** for oily-looking shine, visible pores, blackheads and blemish-prone skin.
- **Clear alternative to AquaShine:** deeper pore-focused cleanse with gentle exfoliation.
- **Performance-led cleanse:** combines tested antibacterial activity, pore care and hydration support
- **Routine starter:** pairs with Primed & Ready, Back to Basics and Back in Balance

Ingredients

AQUA, GLYCERIN, PROPYLENE GLYCOL, COCAMIDOPROPYL BETAINE, CAPRYLYL/CAPRYL GLUCOSIDE, SODIUM COCOYL ISETHIONATE, SAL-3 BLEND (SALICYLIC ACID, SALVIA OFFICINALIS (SAGE) OIL, ROSMARINUS OFFICINALIS (ROSEMARY) LEAF OIL), GLUCONOLACTONE, ZINC PCA, AVENA SATIVA (OAT) KERNEL OIL, PANTHENOL, HONEY, SODIUM HYALURONATE, ALLANTOIN, TOCOPHEROL, HELIANTHUS ANNUUS (SUNFLOWER) SEED OIL, HYDROXYACETOPHENONE, GLYCERYL OLEATE, COCONUT ACID, SODIUM ISETHIONATE, POLYACRYLATE CROSSPOLYMER-6, SODIUM CHLORIDE, SODIUM BENZOATE, POTASSIUM SORBATE, T-BUTYL ALCOHOL, CITRIC ACID, SODIUM HYDROXIDE. *MBC HERBAL HONEY, LOVINGLY HARVESTED FROM OUR BEES AT MBC RESEARCH PARK IN GIPPSLAND

Proof Points

- **88% antioxidant boost ****
- **Hydration-supporting cleanse:** +6% moisture after cleansing vs -4% untreated skin at 45 minutes***
- **Readily biodegradable (OECD 301A lab testing) ******
- **24-hour patch test irritation score:** 0.0****

Key Ingredients

Salicylic Acid — helps clear pores, smooth rough texture and support blemish-prone skin

Sage + Rosemary Oils — botanical clarifiers for a fresh, clarified cleanse

MBc Herbal Honey — soothing botanical honey with tested antibacterial activity

Zinc PCA — helps support oil balance and skin comfort

Oat Oil + Sodium Hyaluronate — help maintain moisture and comfort during cleansing

How to Use

Wet face with lukewarm water. Apply 1–2 pumps using fingertips and gently massage over face and neck, avoiding the immediate eye area. Rinse well and pat dry. Use morning and night. Start every other day if skin feels tingly until skin adjusts.

Hydro Active Hydrating Serum

ACTIVE HYDRATION + DEWY GLOW SERUM

Serum Role: Step 2 hydration + barrier-support serum

For normal to dry, dehydrated and sensitive-feeling skin

 salvarity 

- ★ **+141% moisture** increase within 1 minute*
- ★ **87% antioxidant boost****

Hydration Recovery. Barrier Support. Healthy Dewy Glow.

A lightweight, non-greasy serum for hydration-seeking routines, especially normal to dry skin prone to dehydration, tightness, dullness or barrier discomfort. Powered by HydroSal Blend, niacinamide, sodium hyaluronate, squalane and provitamin B5, it helps replenish moisture, support the skin's natural barrier and leave skin looking fresh, healthy and softly dewy — without a heavy or oily feel.

Shopper Benefits

- ✓ Helps boost hydration for a fresh, healthy-looking glow
- ✓ Supports barrier comfort and moisture retention
- ✓ Helps skin feel soft, calm and comforted
- ✓ Lightweight, fast-absorbing and make-up friendly

Range Role

- **Step 2 hydration hero** for hydration-seeking routines and skin that feels tight, dry or dull.
- **Dewy glow finish:** supports dry, tight and dull-looking skin without greasiness
- **Barrier comfort:** helps support sensitive-feeling and redness-prone skin
- **Proof-backed formula:** +141% moisture in 1 minute, 87% antioxidant boost, 0.0 patch score
- **Routine builder:** pairs with AquaShine, Cool by Nature and Free & Zen

Ingredients

Aqua, Niacinamide, Glycerin, Bambusa Vulgaris (Bamboo) Extract, Propanediol, Panthenol, Sodium PCA, Polysorbate 20, Gluconolactone, HydroSal Blend [Salvia Hispanica (Chia) Seed Oil, Sodium Hyaluronate, Maritech® Reverse / Undaria Pinnatifida Extract], Squalane, Crambe Abyssinica (Abyssinian) Seed Oil, Tocopherol, Hydroxyacetophenone, Polyacrylate Crosspolymer-6, Sodium Benzoate, Potassium Sorbate.

Proof Points

- +141% moisture increase within 1 minute*
- 87% antioxidant boost**
- 24-hour patch test irritation score: 0.0***
- Readily biodegradable — OECD 301A tested****

Key Ingredients

HydroSal™ Blend — chia seed oil, sodium hyaluronate and Maritech® Reverse for hydration and barrier support
Niacinamide — supports barrier comfort and moisture balance
Sodium Hyaluronate — helps attract and hold moisture
Maritech® Reverse — Australian organic fucoidan extract for antioxidant support
Squalane + Provitamin B5 — comfort dry-feeling skin and support the skin barrier

How to Use

Apply 1–2 drops after cleansing to face and neck. Follow with moisturiser.

Oil Balance. Pore Care. Soft-Matte Finish.

A lightweight, oil-free serum for oily / combination, blemish-prone skin. Clinically measured on oily / combination, breakout-prone skin to reduce skin oiliness while maintaining hydration — helping skin look less oily, clearer, smoother and more balanced without a harsh drying feel.*

Shopper Benefits

- ✓ Helps balance oily-looking shine and excess oil
- ✓ Helps refine the look of pores, blackheads and rough texture
- ✓ Supports clearer-looking, smoother skin without a harsh drying feel
- ✓ Leaves skin feeling fresh, comfortable and soft-matte

Range Role

- **Step 2 oil-balance hero:** completes the oily/combination skin routine.
- **Oil-balance proof story:** oiliness reduced in a 4-week study while hydration was maintained.
Blemish-prone skin support: targets oily-looking shine pores, blackheads and visible blemish concerns
- **Soft-matte finish:** modern mattifying story without a harsh drying feel
- **Routine builder:** pairs with Hydra-Purify, Back to Basics and Back in Balance

Ingredients

Aqua, Propylene Glycol, Polysorbate 80, Bambusa Vulgaris (Bamboo) Extract, SaliTech Blend [Salicylic Acid, Citric Acid, Tetrahydrodiferuloylmethane], Glycerin, Gluconolactone, Uvalife® Antioxidant Blend [Vitis Vinifera (Grape) Fruit Extract, Vitis Vinifera (Grape) Seed Extract, Wine (Red Wine) Extract], Allantoin, Xanthan Gum, Sodium Benzoate, Potassium Sorbate.

Proof Points

- **Independent 4-week dermatological Study** on oily / combination, breakout-prone skin: clinically measured skin oiliness reduced **83 → 64**, with hydration maintained; **3 in 4 users** reported improved overall skin appearance and hydration; **2 in 3 users** reported less oily-looking skin and fewer blemish / breakout concerns*.
- **+137% hydration increase** at 1 minute post-use**
- **88% antioxidant boost*****
- **24-hour patch test irritation score: 0.0******
- **Readily biodegradable — OECD 301A tested*******

Key Ingredients

Salicylic Acid — pore-clearing and oil-control support

SabiWhite® — turmeric-derived antioxidant for blemish-prone skin

Bamboo Extract — smooth, refined skin feel

Uvalife® Antioxidant Blend + Allantoin — antioxidant and comfort support

How to Use

Apply 1–2 drops after cleansing, avoiding the eye area. Follow with moisturiser. Start every other night until skin adjusts.

Daily Hydration. Barrier Comfort. Calm Healthy Glow.

A soft, creamy, fast-absorbing moisturiser for hydration-seeking routines, especially normal to dry or sensitive-feeling skin. Powered by SalviShield antioxidants, niacinamide, sodium hyaluronate, Maritech® fucoidan, shea butter, squalane and plant oils, it helps replenish moisture, support the skin's natural barrier and keep skin smooth, comfortable and healthy-looking — without a heavy or greasy feel.

Shopper Benefits

- ✓ Replenishes moisture for soft, comfortable skin
- ✓ Supports barrier comfort and moisture retention
- ✓ Helps comfort sensitive-feeling and redness-prone skin
- ✓ Leaves skin hydrated, smooth, & calm without feeling greasy

Range Role

- **Normal-to-dry whitespace:** Step 3 moisturiser for dry, dehydrated skin
- **Barrier comfort finisher:** locks in Hydro Active hydration and supports moisture retention
- **Antioxidant daily care:** supports skin exposed to environmental stress
- **10+ entry SKU:** gentle daily moisture for younger dry/sensitive-feeling shoppers
- **Clear SKU difference:** richer and more replenishing than Free & Zen

Ingredients

Moisturiser

Free & Zen Calming Moisturiser

CALMING DAILY MOISTURISER FOR REDNESS-PRONE SKIN

Moisturiser Role: Step 3 calming + barrier-comfort moisturiser

For normal to dry, sensitive-feeling, reactive and redness-prone skin

salvarity ✨

★ **+131% hydration increase***

★ **79% antioxidant boost****

Calm Reset. Cooling Comfort. No Heavy Feel.

An ultra-light, non-greasy moisturiser for sensitive-feeling routines, especially skin prone to visible redness, dryness or reactivity. Powered by Saloe Complex, colloidal oatmeal, panthenol, sodium hyaluronate and MBc Herbal Honey, it helps cool, comfort and support the moisture barrier — leaving skin soft, calm and comfortable without a heavy feel.

Shopper Benefits

- ✓ Helps calm sensitive-feeling, easily reactive skin.
- ✓ Helps reduce the look of redness caused by dryness or reactivity.
- ✓ Supports barrier comfort and moisture retention.
- ✓ Lightweight, non-greasy and make-up friendly.

Proof Points

- **+131% hydration increase**
- **79% antioxidant boost****
- **24-hour patch test irritation score: 0.0*****

Key Ingredients

Saloe Complex: aloe vera, cucumber, green tea and sage oil for cooling comfort

Colloidal Oatmeal: supports barrier comfort and moisture retention

Panthenol + Sodium Hyaluronate: hydration and comfort support

MBc Herbal Honey + Allantoin: comfort support for sensitive-feeling skin

Uvalife® Antioxidant Blend: antioxidant support against daily stress

Range Role

- **Sensitive-skin gap filler:** calming Step 3 for redness-prone, reactive-feeling skin
- **10+ entry SKU:** gentle daily moisturiser for younger or sensitive-skin shoppers
- **Clean standard advantage:** formulated without Salvarity's 16 Clean Swap ingredient groups
- **Clear SKU difference:** lighter, cooler and more calming than Cool by Nature
- **Easy staff recommendation:** for shoppers seeking a gentle, soothing, non-heavy moisturiser

How to Use

Warm between fingertips, then gently massage onto cleansed face, neck and décolletage. Use morning and night. Follow with sunscreen in the morning.

Ingredients

AQUA, CAPRYLIC/CAPRIC TRIGLYCERIDE, BUTYLENE GLYCOL, DICAPRYLYL CARBONATE, GLYCERIN, POLYGLYCERYL-3 METHYLGLUCOSIDESTEARATE, CETEARYL ALCOHOL, BUTYROSPERMUM PARKII (SHEA) BUTTER, GLYCERYL STEARATE, SODIUM PCA, GLUCONOLACTONE, PANTHENOL, CETEARETH-20, SALOE™ COMPLEX [ALOE BARBADENSIS (ALOE VERA) LEAF JUICE POWDER, CUCUMIS SATIVUS (CUCUMBER) FRUIT EXTRACT, CAMELLIA SINENSIS (GREEN TEA) LEAF EXTRACT, SALVIA OFFICINALIS (SAGE) OIL], AVENA SATIVA (OAT) KERNEL MEAL, HELIANTHUS ANNUUS (SUNFLOWER) SEED OIL, TOCOPHEROL, ALLANTOIN, HONEY*, SODIUM HYALURONATE, SIMMONDSIA CHINENSIS (JOJOBA) SEED OIL, OLEA EUROPAEA (OLIVE) FRUIT OIL, CRAMBE ABYSSINICA (ABYSSINIAN) SEED OIL, ROSA RUBIGINOSA (ROSEHIP) SEED OIL, PRUNUS ARMENIACA (APRICOT) KERNEL OIL, SALVIA HISPANICA (CHIA) SEED OIL, UVALIFE® ANTIOXIDANT BLEND [VITIS VINIFERA (GRAPE) FRUIT EXTRACT, VITIS VINIFERA (GRAPE) SEED EXTRACT, WINE (RED WINE) EXTRACT], POTASSIUM SORBATE, SODIUM CITRATE, XANTHAN GUM, SODIUM GLUCONATE, SODIUM BENZOATE, CITRIC ACID, LIMONENE, ALPHA-PINENE, BETA-CARYOPHYLLENE, BETA-PINENE, CAMPHOR.

Oil Balance. Pore Comfort. Breathable Matte Finish.

A lightweight, fast-absorbing moisturiser for oily and combination skin prone to shine, visible pores and blemish concerns. Powered by niacinamide, zinc PCA, Sallowood Blend and MBc Herbal Honey, it helps balance oily-looking shine, refine the look of pores and keep skin fresh, comfortable and matte — without a heavy, greasy or stripped feel.

Shopper Benefits

- ✓ Helps reduce oily-looking shine and excess sebum feel
- ✓ Helps refine the look of pores, blackheads and uneven texture
- ✓ Supports clearer-looking, comfortable skin without heaviness
- ✓ Leaves skin feeling fresh, balanced and softly matte

Proof Points

- 75% antioxidant boost*
- +135% hydration increase within 1 minute**
- 24-hour patch test irritation score: 0.0***

Key Ingredients

Sallowood™ Blend — white willow bark, tea tree oil and chia seed oil for pore care and comfort

Niacinamide + Zinc PCA — oil-balance and clearer-looking skin support

MBc Herbal Honey — soothing botanical honey for blemish-prone skin comfort

Bamboo Extract + Gluconolactone — smooth, refined skin feel

Sodium Hyaluronate + Jojoba Oil — lightweight hydration without heaviness

Range Role

- **Step 3 matte hydration hero:** completes the oily/combination skin routine.
- **Shine-control daily care:** supports oily-looking T-zone, pores and excess sebum feel.
- **Barrier-friendly moisture:** hydrates oily skin without a heavy, greasy or stripped finish.
- **Blemish-prone skin support:** helps keep skin looking clearer, smoother and more balanced.
- **Routine builder:** pairs with Hydra-Purify, Primed & Ready and Back in Balance.

Ingredients

AQUA, BUTYLENE GLYCOL, DICAPRYLYL CARBONATE, NIACINAMIDE, CAPRYLIC/CAPRIC TRIGLYCERIDE, COCO-CAPRYLATE, GLYCERIN, CETEARYL ALCOHOL, CETEARETH-20, SODIUM PCA, GLUCONOLACTONE, SALLOWOOD™ BLEND (SALIX ALBA (WHITE WILLOW) BARK EXTRACT, MELALEUCA ALTERNIFOLIA (TEA TREE) LEAF OIL, SALVIA HISPANICA (CHIA) SEED OIL), HONEY*, HELIANTHUS ANNUUS (SUNFLOWER) SEED OIL, TOCOPHEROL, ALLANTOIN, SODIUM HYALURONATE, SIMMONDSIA CHINENSIS (JOJOBA) SEED OIL, ZINC PCA, GLYCERYL STEARATE, SODIUM GLUCONATE, SODIUM BENZOATE, POTASSIUM SORBATE, SODIUM CITRATE, POLYACRYLATE CROSSPOLYMER-6, SODIUM HYDROXIDE, SILICA, T-BUTYL ALCOHOL, ALPHA-TERPINENE, ALPHA-PINENE, BETA-PINENE, LIMONENE.

CLARIFYING + BLEMISH-CONTROL MOISTURISER

Moisturiser Role: Step 3 clarifying + texture-refining moisturiser

For oily, combination and blemish-prone skin

★ **+150% hydration increase***

★ **Up to 86% breakout-stress marker reduction****

★ **81% antioxidant boost*****

Product Code: SALV008

Pack Size: 40mL

Age: Teens 13+

Use: AM + PM / every other day until skin adjusts

Routine Step: Step 3 Moisturiser

Skin Type: Oily / combination / blemish-prone / clogged pores / blackheads / bumpy texture

Best Paired With: Hydra-Purify Facial Cleanser | Primed & Ready Mattifying Serum

*1-minute post-use instrumental hydration test.

**In-vitro study on breakout-stressed skin markers

***Chemistry laboratory antioxidant study.

***** 24-hours patch test

Clarify. Smooth. Comfortable Hydrate.

A light, fast-absorbing moisturiser for oily, combination and blemish-prone skin with clogged pores, blackheads or bumpy-looking texture. In-vitro tested with up to 86% reduction in breakout-stress markers and shown to support hydration, it helps refine clogged pores, smooth uneven texture and support clearer-looking skin — without heaviness or dryness.

Shopper Benefits

- ✓ Helps comfort breakout-stressed, visibly irritated-looking skin; refine clogged pores and smooth bumpy-looking texture.
- ✓ Supports clearer-looking, more balanced skin.
- ✓ Boosts hydration without a heavy, greasy or drying feel.

Range Role

- **Targeted clarifying moisturiser:** Step 3 moisturiser for clogged pores, blackheads and bumpy-looking texture.
- **White-space finisher:** clarifies and hydrates where many blemish-focused products feel drying or harsh.
- **Texture + pore support:** targets congested-looking pores, blackheads and uneven texture.
- **Clear SKU difference:** more texture- and congestion-focused than Back to Basics' daily matte oil-control role.
- **Easy staff recommendation:** for oily or blemish-prone skin needing clearer-looking skin without a dry, stripped feel.

Ingredients

AQUA, PROPYLENE GLYCOL, DICAPRYLYL CARBONATE, CAPRYLIC/CAPRIC TRIGLYCERIDE, GLYCERIN, COCO-CAPRYLATE, CETEARYL ALCOHOL, CETEARETH-20, SODIUM PCA, GLUCONOLACTONE, PANTHENOL, SALVALIFE™ COMPLEX [TETRAHYDROCURCUMIN, SALVIA HISPANICA (CHIA) SEED OIL, UVALIFE® ANTIOXIDANT BLEND (VITIS VINIFERA (GRAPE) FRUIT EXTRACT, VITIS VINIFERA (GRAPE) SEED EXTRACT, WINE (RED WINE) EXTRACT)], SALICYLIC ACID, HELIANTHUS ANNUUS (SUNFLOWER) SEED OIL, TOCOPHEROL, ALLANTOIN, CENTELLA ASIATICA (GOTU KOLA) LEAF EXTRACT, HONEY*, SODIUM HYALURONATE, SIMMONDSIA CHINENSIS (JOJOBA) SEED OIL, PRUNUS ARMENIACA (APRICOT) KERNEL OIL, GLYCERYL STEARATE, SODIUM BENZOATE, SODIUM GLUCONATE, POTASSIUM SORBATE, SODIUM CITRATE, POLYACRYLATE CROSSPOLYMER-6, SILICA, T-BUTYL ALCOHOL, SODIUM HYDROXIDE.

Proof Points

- **+150% hydration increase within 1 minute*.**
- **Up to 86% breakout-stress marker reduction ****
- **81% antioxidant boost *****
- 24-hour patch test irritation score: 0.0****

Key Ingredients

Salvalife™ Complex: SabiWhite®, Uvalife® antioxidants and chia seed oil for clarity and antioxidant support

Salicylic Acid: helps refine clogged pores and smooth bumpy texture

Sodium Hyaluronate + Panthenol: hydration and barrier comfort support

Centella + Allantoin: helps comfort blemish-prone, irritated-looking skin

MBc Herbal Honey + Plant Oils: soothing nourishment without heaviness

How to Use

Warm between fingertips, then gently massage onto cleansed face, neck and décolletage, avoiding the immediate eye area. Use morning and night. Start every other day if skin feels tingly until skin adjusts. Follow with sunscreen in the morning.

Moisturiser

Celebrate Resilient. Natural.
Beauty

Salvarity is created for young skin, first routines and sensitive-feeling skin — with a strong teen-first foundation.

Every Salvarity product has a distinct role in the range and skincare routine:

- **AquaShine** — gentle first cleanse
- **Hydra-Purify** — deeper pore-focused clarifying cleanse
- **Hydro Active** — hydration + healthy dewy glow
- **Primed & Ready** — proof-led oil-control serum
- **Cool by Nature** — richer hydration and barrier comfort
- **Free & Zen** — lightweight calming comfort
- **Back to Basics** — daily matte hydration maintenance
- **Back in Balance** — targeted texture and congestion support

THE SALVARITY'S CLEAN SWAP LIST

Salvarity chooses not to use these 16 commonly questioned ingredient groups and selects gentler, more considered alternatives wherever possible. This forms part of our Clean Swap approach for young skin, first routines and sensitive-feeling skin.

Formulation Principles

	Ingredient(s)	Function(s)	Why bad for humans?	Why bad for the planet?
1	Parabens	Preservative	Skin irritation, sensitising; possible hormone disruption	Possible reproductive problems in land animals
2	Phthalates	Plasticizer, solvent	Hormone & reproductive health disruption	Possible reproductive problems in land animals
3	SLS/SLES	Cleansing / surfactants	Skin barrier disruption, drying	Toxic to aquatic life
4	Phenoxyethanol	Preservative	Possible skin allergies	Toxic to aquatic life; Petroleum byproduct
5	Ethylhexylglycerin	Preservative	Skin irritation	Petroleum byproduct
6	Carbomers	Thickeners	Skin irritation, allergic reactions	May contain benzene, which is toxic to land and aquatic life
7	Quaternium compounds	Conditioners	Skin irritation; may convert to formaldehyde	Decrease biodiversity; toxic aquatic life
8	Mineral oils, paraffins, related compounds	Emollients	May contain traces of polycyclic aromatic hydrocarbons (PAH's) which are skin sensitizers	Petroleum byproduct; PAH's are toxic to aquatic life.
9	Ethanolamines	Cleansing, surfactants, pH adjusters	Skin irritation, allergic reactions	Petroleum byproduct; Toxic to aquatic life
10	Formaldehyde & related compounds	Preservatives / fixatives	Cancer causing, toxic to all tissues	Toxic to land and aquatic life
11	Talc	Anti-shine, absorbent	Possibly cancer causing, may contain traces of asbestos, a lung toxin	Talc mining may leach chemicals into the soil
12	Butylated hydroxyanisole (BHA) & butylated hydroxytoluene (BHT)	Preservatives	Possible hormone disruption	Possible reproductive problems in land animals
13	Triclosan	Preservative	Possible hormone disruption	Toxic to land and aquatic life
14	EDTA	Chelator	Possible Skin Irritation or allergy	May contain traces of dioxane, which accumulates in the environment
15	Animal byproducts (except for bee products)	Various, mostly skin conditioning	Possible skin allergies	Unsustainable production of animals; animal waste encourages invasive plant life
16	Synthetic dyes	Colouration of products	Possible skin allergies	Toxic to aquatic life; product of petroleum industry, may be difficult to biodegrade

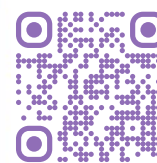

**Inspired by *Salvia*. Proven by Science.
Resilient. Natural. Beauty.**

The name Salvarity is born from *Salvia*, whose name is derived from the Latin word “salvare,” meaning “to save” and traditionally associated with healing. A resourceful, resilient and healing plant, *Salvia* is celebrated for its natural beauty, fragrance, remarkable diversity and ecosystem-nurturing qualities. Cultivated abundantly at Max Biocare Research Parks in Victoria, *Salvia* reflects the natural vitality, restoration and abundance at the heart of the Salvarity name.
