Nutrition and Supplements for Active Lifestyles

max biocare
 EVIDENCE-BASED • NATURAL • TRUST

 Our evidence-based supplement range includes herbal and nutritional formulations to support bones, joints and muscles, including topical solutions for joint and muscle pain.

 **little Étoile® Clinical Nutrition**

Little Étoile Clinical Nutrition supports children with our Opti-5 nutrition system targeting 5 key areas of health: immunity, healthy bone & muscle development, digestive, brain & visual development.

Cleanse + Recover with our dedicated after-swim cleansing washes for every life stage.

Each 2-in-1 cleansing wash is designed to wash off pool chemicals, seawater impurities, sunscreen, sweat and residue that builds up on hair and skin during swimming and outdoor leisure activities.

**Little Étoile SwimProtect 2-in-1 +
Shampoo & Bodywash 2+ years**

**Salvarity Swim-Fresh 2-in-1
Shampoo & Bodywash**

**Garden Of Wellness Swim Soothe
After-Swim Shampoo & Bodywash**

Proven Post-Swim Performance

**Experiment on the
chlorine removal
effectiveness of
SwimProtect 2-in-1 +**

Our after-swim cleansing formulations have undergone laboratory and safety testing, including:

- ✓ Chlorine reduction
- ✓ Copper reduction
- ✓ Bromine reduction
- ✓ Mineral capture and release from hair
- ✓ Dermatological testing
- ✓ Eye-sensitive testing

Every swimmer will understand the feeling of dry, tight feeling skin and straw-like hair after each swim session.

SwimShield™ 5C is our specialist after-swim clean-recover technology, designed to bring together five connected care actions to support active lifestyles for all ages.

Powered by MBc Botanical Bioactives

Cultivated out of our Research Parks in Victoria's Provenance of Gippsland, our proprietary blends of MBc Bioflora Honey, *Salvia microphylla* and Lamb's Ear bring together extensive clinical research on their bioactive properties and benefits to skin and hair, to formulate our unique MBc Botanical Recovery Complex™. These ingredients help leave the skin and hair feeling soft, comfortable and replenished after pool, ocean and outdoor exposure.
